Space Challenge Rules and Policies - Description

Space Challenge - A set of challenges designed to develop and open space to the civilian population!

The challenges are on going until a team successfully completes a challenge!

Each year teams will be ranked and intermediate prizes will be rewarded to stimulate achievement and progress!

Space Challenge Rules and Policies - Rules

Rule 1: All decision are final as determined by the Rules Committee.

Rule 2: A team must enter to win a prize.

Rule 3: A team may make an attempt to meet a challenge at anytime, but must notify the Rules Committee before the attempt is made.

Rule 4: A team must put SAFETY FIRST in all development and testing!

Space Challenge Rules and Policies - Policies

There are no Policies at this time!

Space Challenge!™
